ABOUT ME

My name is Violet and together with my husband we would like to offer you an opportunity to get a taste of authentic home-made Albanian cuisine. We are a local native couple we like to cook only traditional Albanian. I love cooking and since retiring from my full-time job I also have plenty of free time which gives me an opportunity to follow my passion for cooking and making the Albanian cuisine more accessible to visitors in Albania. My husband helps me in the kitchen and likes very much to talk to the guests - jokes is his specialty :) The idea came from some of our airbnb guests to our apartment next door whom we had invited for a dinner. They loved the traditional Albanian food so much and suggested us to try with Bonappetour. You can also check our listing and reviews about our apartment on AirBnB: <https://www.airbnb.com/rooms/3150443> We hope to welcome you to our home!
