The designs and creations by its eponymous New York designer are all funky and brightly colorful, somewhat harking back to the styles of the 60s and 70s. Inspired by his travels, ultimately settling on the island of Bali where he set up production and an eventual fashion empire, Paul Ropp's designs loosely feature styles and patterns of India, Indonesia and Asia, a combination that became distinctive throughout his line.

In conjunction to the Paul Ropp's consignment boutique at the Ayung Resort Ubud, you may enjoy a luxury dining experience at our Private Dining for your business or pleasure breakfast, lunch or dinner. Whether it is for your closest friends or esteemed colleagues, rest assured your private dining experience will be something they will remember.

Our private dining room has a dedicated Sales and Event Manager whom will take charge of every detail to make your event a seamless success. From the time you book our private dining room until the final toast is made and your last guest leaves, our Sales and Event Manager will cater to your every need.

Most anything on our menus can be on your private dining menu, from the delectable appetizers, to the mouth-watering Beef Tenderloin Galangal, and the too-good-to-be-true desserts. Premium bars, fine wines and Wijaya Kusuma's signature cocktails are also available for your pleasure.
