Hello from the Sweetwater Lift Lodge!!

After a strong summer your Lift Lodge resort is doing very well! With a new pool heater as well as repairing all gas fireplaces we are excited for the fall season to begin. We would like to take this chance to make owners aware that the Jacuzzi is down, however our engineering team is working diligently to correct the problem. Please join us for warm cookies and popcorn upon your arrival. We encourage you to take full opportunity of our amenities including Wine and Cheese Monday nights and Movie Night on Wednesday!
