Ololokwe Excursion*

Setting off at dawn, you will drive to the foot of Ololokwe (30 minutes from the lodge). Whatever your pace, our guides will be at your side throughout, teaching you about the mountain and all of its wonders. Half way to the top you will stop for a Saruni breakfast of eggs, bacon, fruit and pancakes with tea or coffee.** Now, full of energy, you will reach the top and admire the magnificent view of Samburuland. You begin your descent with the prospect of a delicious lunch of fresh pasta and salads in the shade of the ancient moran's cave.
