Winter Long Stay Program Inner Harbour

*“A Great Hotel in Victoria’s
Best Location...”*

VictoriaBestWestern.com

Welcome...

Thank you for your interest in our Winter Long Stay Program (WLSP). We would be delighted to have you as our guest during your escape to Victoria, Canada's City of Gardens. Our WLSP was first introduced in 1992 and the popularity of the program has seen many of our guests return year after year.

Our beautiful hotel is conveniently situated in Victoria's best location, at the Inner Harbour. Choose from a variety of lovely rooms, including Studios: Residential, Park or Harbour View, Premium One Bedroom Suites (Residential View) and luxurious Harbour View Penthouses that boast a spectacular panoramic view of the Inner Harbour. Our entire hotel and grounds are 100% non-smoking. Our rooms include fully equipped kitchens.

Great Value...

Our WLSP rates are substantially discounted and offer great value as they also include daily full breakfast and covered gated parking. Added benefits include special meet and greet lunches hosted by the hotel (late January through March) and invitations to on-site and off-property activities organized exclusively for WLSP guests.

Guests of our WLSP receive full housekeeping service twice a week with limited service on all other days. For complete program details, see the back page of this brochure or contact our hotel.

Victoria, A Beautiful World Class City...

Boasting Canada's mildest climate, it's not surprising Victoria is such a popular winter getaway destination. Visitors enjoy year-round ocean-side walking paths, strolls through well manicured gardens, golfing on many nearby greens, walking and cycling on the endless beautiful nature trails, including the famous Galloping Goose Trail.

Also enjoy the diversity of the great culinary, arts, shopping, entertainment and cultural scenes that Victoria has to offer. Visit local theatres, enjoy a Pacific Opera production or a Victoria Symphony performance, or tour a nearby museum.
