Season 2020

News

Dear guests,
We are pleased to confirm the "Ticino Ticket" also this year, a ticket which allows you to use all means of transport in Ticino for free.

Our family management always cares about respecting the environment.
We have committed ourselves to promoting clean energy: electricity and hot water are now produced thanks to recently installed solar panels.

A big ecological investment for us all.

Fam. Majek-Wassmann

Introduction

Since 1941 the Majek-Wassmann family has been passionately managing the Lugano Youth Hostel, ranked as TOP within the Swiss Hostel Association's rating system. Located in Savosa, canton Ticino, Switzerland, the facility lies only 3 km away from the city center and remains easily reachable both through public and private means of transportation.

The Hostel

Our Hostel is a peaceful oasis, whose infrastructure accommodates everyone’s wishes.

The Hostel is surrounded by nature and hosts an outdoor swimming pool (constantly filled by natural spring water), a cozy porch, a pergola and a vast beautiful park with secular trees, where yummy grilling evenings can take place.

The building is equipped with numerous inside living spaces, TV rooms, all-purpose recreation rooms, billiard table and much more.

Free Wi-Fi network is offered to all Hostel clients and is available in every building.

Mountain Bikes and E-Bikes can be rented directly at the Hostel.

The hostel management respects local ecological standards and is strongly

committed to care for and respect the environment, by making sure that only sustainable and eco-friendly products are used.
