Press Release

JUNE 1, 2015: FOR IMMEDIATE RELEASE

Victoria, BC - June 1, 2015: The Parkside Hotel & Spa is honored to receive their fifth consecutive Certificate of Excellence, awarded by TripAdvisor®. The Certificate of Excellence award celebrates excellence in hospitality and is given only to establishments that consistently achieve great traveller reviews on TripAdvisor. The 'Hall of Fame' was created to honour those businesses that have earned a Certificate of Excellence for five consecutive years.

"We could not be more proud of our hotel and our staff, as without their hard work and dedication to make this property thrive, we could not have achieved this amazing honour," says Trina White, General Manager of The Parkside Hotel & Spa. "The hotel could not win TripAdvisor's Certificate of Excellence® awards year after year without its loyal guests leaving great reviews of their stays. Our guests' kind words and great feedback keep us striving for excellence, and we thank them sincerely."

"Winning the TripAdvisor Certificate of Excellence for five consecutive years is a remarkable feat. TripAdvisor is pleased to induct five-time award winners into the 'Hall of Fame'," said Marc Charron President, TripAdvisor for Business. "By putting a spotlight on businesses that are focused on consistently delivering great service to customers, TripAdvisor not only helps drive an improvement to hospitality standards around the world, it also gives businesses both large and small the ability to shine and stand out from the competition."

The Parkside Hotel & Spa has also recently been honored by winning its first TripAdvisor's Travelers' Choice® award in January, when the property was named #4 in Canada for family travelers. The property has still been buzzing with excitement since that win, and is now even more overjoyed with this induction in to TripAdvisor's Hall of Fame.

Among The Parkside Hotel & Spa's other successes, the property has also been recognized by Condé Nast's Readers' Choice Awards, ranking #13 for Best Resorts in Canada.
