

# Beachfront Restaurants, Cafes & Bars

Why not combine a little gentle exercise while enjoying as many of Rarotonga's beachfront restaurants, cafes and bars as possible during your stay with us. You can walk as far as you would like along the beach in either direction to discover some of these unique beachfront venues for breakfast, lunch, dinner or cocktails. You can always catch the bus back or call for a taxi. If you are looking to walk or jog along the beach, please check the tides and wear appropriate footwear. The beach is passable at high tide but you are likely to get your feet wet, especially after a downpour, if the streams are running high. Alternatively, it is an easy cycle ride on the main road to all of the beachfront venues on Rarotonga. If you plan to conserve your energy for beachfront indulgence, the circle island bus will drop you off and pick you up from each beachfront venue or alternatively you can call a taxi or hire a rental car or motor bike.....Enjoy!
