

Introducing the 2017 Park Plaza Owner Rental Program

On behalf of Park Plaza Resort, Blue Mountain Resorts will now offer two ways to help you make the most of your unused vacation week. Along with the Park Plaza Owner Rental Program, we would like to introduce the Blue Mountain Exchange Program as an option to deposit your week and exchange it. The goal is to provide you with the best possible options to generate revenue on your week through our Owner Rental Program and have the ability to exchange your week.

Choose from one of our programs below to help you make the most of your unused week.

Currently Accepting Selected Weeks*:

- Weeks 1 - 10
- Weeks 24 - 32
- Weeks 47-52

**Note: Owners must book a week first and then deposit that week into the program. We regret that we cannot accept any off season weeks at this time, due to the fact that we have a surplus of them on hand currently.*

If you own any of the following weeks listed, we highly encourage you to deposit your week(s), regardless of unit type, into our Owner Rental Program inventory.

These weeks are the most high-demand times of the year for Park Plaza and owners with these weeks can greatly benefit by signing up for our Owner Rental Program.
