

Lake Arrowhead Chalets

Dear Guest,

Thank you for choosing Lake Arrowhead Chalets for your vacation destination. Lake Arrowhead, California is surrounded by the San Bernardino National Forest at an altitude of 5,500 feet. The Lake Arrowhead Chalets makes the perfect mountain getaway where you can enjoy our "Historic European Village". Visitors can enjoy restaurants, fishing, hiking, biking, nature walks, picnic areas, ice-skating, seasonal beaches, a 4-cinema theater, entertainment and much more.

Lake Arrowhead is a small mountain resort community; yet close enough to enjoy most all of Southern California's Attractions & Amusement Parks that are within a 2-hour drive.

The Chalets are fully furnished with wood burning fireplaces, complete kitchens, appliances, B.B.Q on your own private deck, washer & dryers, Direct TV, DVD player, outdoor pool (seasonal), sauna and game room. All of the Chalets have many stairs and most the units are two stories with forest views.

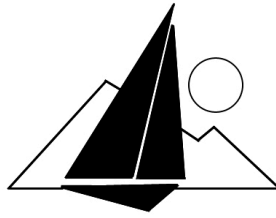

If you will be traveling during the winter months, be prepared for snow, fog and carry chains. Chain control is highly enforced by the California Highway Patrol even if you have a 4x4 vehicle. If you're traveling in the summer months, our units do not have air conditioning. Our summers are generally mild and fans work quite well. You will be provided with two fans per unit. There is no RV, boat or trailer parking allowed.

It is not unusual to see wild animals such as raccoons, coyotes, squirrels and an occasional bear or mountain lion.

Check-in time is at 4:00 pm on Friday and Sunday. If you are planning to check-in after this time, you must call the office at (909) 337-0457 to make late check-in arrangements. **If you fail to make arrangements for a late check-in you will not be able to check-in until the following day.**

We look forward to your visit with us. For more information on Lake Arrowhead, log onto www.lakearrowhead.net or www.lakearrowheadvillage.co .
