

....Where Mediterranean meets Africa....

We can take up to 32 guests!

A couple of weeks ago we had a large **group** traveling with a tour operator in a medium sized bus. Depending on the configuration and wishes of the group, we can handle a maximum of **32 people**. Also the bus can safely be parked in our premises. Present us with your room configuration and we will quote you and ensure your guests a memorable stay!

We do it all!

We had our first **WEDDING** at Guesthouse Bellamente! And what a party it was! Besides of course the accommodation, we arranged all decorations, food, drinks and the ceremony at the **beach 200 meters from Bellamente**. Having a very happy wedding couple, their family and friends were superb and we are happy to add this option to the list of what **BELLAMENTE** can do for you!!!

Get spoilt

As there are times to go out and explore, there are also times to **relax!** Guesthouse Bellamente offers you that in the comfort of your own room! If you want a full body massage, a facial, pedicure or manicure, all is possible by **Marina**, our own mobile Beauty Therapist!

Private 4x4 tours!

From now on, we offer private day trips. If you want to enjoy a beautiful day in our stunning surroundings, tasting wines, drive the more rough dirt roads and don't want to worry about dinking a glass of wine..or 2..... or if your car will manage or not, we will drive for you. You also will be sure you will see the best spots! Just contact us in time for prices and availability and what day tours are on offer.
