MEMBERSHIP PAYMENT PLAN

We are pleased to offer a payment plan for course membership fees, which we hope will ease the financial burden on our members and hopefully lead to increased membership. 50% of the membership fee will be required upon joining along with a check posted dated 1 month after joining for 25% of the membership fee payment and a check posted for 2 months after joining for the remaining 25% of the membership fee. In the event that a posted dated check does not clear the bank, the membership will be cancelled until payment is made along with a \$35 default fee.
