## OUR BRANDS

### BELLEVUE BOTANICALS

Inspired by the Sunken Victorian Garden, our own product line was created to honor the timeless world of scent, capturing rose, lavender & rosemary, while delivering therapeutic treatments local to the Irish countryside, including peat from Laois, carrageen moss & beeswax from West Cork.

These botanical treatments have been carefully curated and include experiences aimed to relax and rejuvenate: massages to harmonise mind, body & soul, facials to revitalise & restore. BELLEVUE Botanicals is 100% Natural & made in Ireland.

### DERMAVIDUALS

We have partnered with DermaVIDUALS as their ethos is truly in line with our own – just like fingerprints, every skin is unique. DermaVIDUALS creates customised skin solutions for every skin condition.

DermaVIDUALS has been formulated along the principles of Corneotherapy. This is a method of repairing the stratum corneum – the outermost layer of the epidermis, in order to improve the function of the deeper skin layers and prevent and treat many skin concerns.
