By car

From the airport you follow direction Ibiza (Eivissa) at the first roundabout. After this please follow the signs to Santa Eulalia. Passing Ibiza-town on your right the road will slightly go up. **Do not take the exit to Jesus** (old coastal road) but keep going straight. After approx. 50 meters the road curves to the right and here you will find a small sandy road on your left with a concrete building with our logo. Turn left in this small road. Further down the sandy road, you will find our main entrance after 200m.

When you arrive after 8 pm

After 8 pm our main entrance and reception are closed. Please go left (downwards) at our main entrance and follow the bamboo wall on your right hand. After 200 meters, you will see our second entrance on the right. If you drive 20 meters further down, you will find the parking area to park your car.
