

## Here's the Latest from Liza the Wine Chick.

The [Garden Court Hotel in Palo Alto](#) is serving up some fantastic food in its elegant dining spaces for catered events. I loved the savory panna cotta amuse bouche (pictured above) and the cauliflower in mole sauce.

I am looking forward to tasting some of my Napa favorites like [Chappellet](#) at [Flavor Napa Valley](#) next week.

### What my clients are saying:

“I was very impressed with the depth of knowledge and expertise you so eloquently shared with our attendees. You did a great job balancing a very knowledgeable group of wine enthusiasts. I would highly recommend your services to anyone.”
