

GERNETIC FACIALS

Gernetic was born out of a vision to combine natural ingredients with the miracles of science to help skin regain its radiance.

With a wealth of experience built up over thirty years by French biologist Albert Laporte. It offers a wide range of beauty products for the face, hands, bust and body.

Gernetic uses the finest ingredients to get the richest results. The raw materials used in the powerful skincare range have been clinically tested and consistently provide optimal results which treat right down to the epidermis.

The 100% natural philosophy ensures your skin's inner beauty is gently ushered out without any risk of allergy. It really is a skincare like no other, I treat the toughest problems such as scarring, acne, blackheads, open pores and capillaries.

Each facial is altered to a specific concern.

BeBeautiful

inside and out

Be Beautiful Salon is a boutique salon located on the Lisburn Road, Eglantine Avenue. I opened the salon after years of working in the industry in top salons across Belfast.

When working in Australia, I worked for a skincare brand called Gernetic and fell in love with it. All of these products are used and stocked in the salon.

I am the only Northern Ireland stockist to date.

My Passion for natural beauty inside and out is at the core of my belief. I take into account all individual's specific needs when creating customised personal treatments and skincare routines. The salon is in a private room situated within a beautiful guesthouse. This cosy boutique salon gives you that warm welcome, personal experience and high quality treatment you won't get anywhere else.

I can offer a range of pamper packages, from teenage parties, to hen parties, Mum to be, Mum & Daughter day out and birthdays. ask for my advice and we will create the perfect day for you to feel special

Gift Vouchers: Available for 6 months and are available for any occasion. These can not be used with any other offers.

Keep updated on Facebook & Instagram for the latest offers and promotions.
