Have you heard about our **New IHG[®] Business Rewards DOUBLE points Booker Bonus promotion?**

Here's how it works.

As an IHG[®] Business Rewards member, you're always rewarded.

Now, for every qualified meeting, event, wedding or stay you book between **January 21 and April 30, 2019**, we'll give you **DOUBLE IHG[®] Rewards Club points**.

Just make sure your booking is held from **January 21 to August 31, 2019**.

We normally reward you with **3 IHG Rewards Club[®] points** per US \$1 – and we're one of the only hotel groups that give you that much. But, with Booker Bonus, you'll earn even more – **6 IHG Rewards Club[®] points per US \$1**.

Spend \$750 and you'll have more than enough points to redeem for the latest music or your favorite magazine downloads. Or, if you prefer to stay with us yourself, spend \$5,000 and you could get a Reward Night.
