Improving Happiness

Here at the Holiday Inn Resort, we are constantly working to ensure your stay with us is as enchanting as the crystal clear waters of Aruba.

Our property is currently undergoing a series of beautification projects. **This year we have already added** more palapas on the beach and a newly decorated *Kid’s Club*. We’ve also incorporated contemporary furnishings, designed by local artists, at our *Oceanside Bar & Grill* and *Sea Breeze Restaurant & Bar*.

You can look forward to elevator improvements of Palm Tower and Ocean Tower in our next project.

Stay tuned for more enhancements!

With year-round sun, beautiful beaches, and friendly locals, it's no surprise that Aruba is nicknamed “One Happy Island”.

This summer, let us show you what makes Aruba our “One Happy Island”.

Whether you're looking for a fun family vacation, a relaxing getaway with friends, or a romantic retreat with a loved one, the Holiday Inn Resort Aruba is your headquarters for happiness!

From the vineyards in Chile...

If you enjoy a great glass of wine, you'll love what we've got for you!

The Holiday Inn Resort has recently added *Cono Sur Wines* to our house wine collection! Take a sip of Chardonnay, Sauvignon Blanc, Merlot, Cabernet Sauvignon, and Pinot Noir, sourced from Cono Sur Wines' organic vineyards in Chile.

You can also treat yourself to *Cono Sur Wines* “Bicicleta” wine, a prime example of innovation, style, and creativity.

“Bicicleta”—or bicycle in English—is a fruity homage to *Cono Sur Wines*'s employees who use bicycles while working in the vineyard.

Be sure to try a glass or two of our newest house wine today!
