One of the best things about visiting Upstate New York is getting to stay overnight.

There's nothing like waking up to the smell of fresh air and a pot of coffee brewing on the stove. Here's a quick round up of some of my latest and greatest finds.

Halcyon Farm Bed & Breakfast

157 Lang Road, Amsterdam, NY 12010 / 518-842-7718 / 800-470-2170

Halcyon is a beautiful farm house centered in the quiet, rolling countryside of Amsterdam, NY. The house is run by a charming older couple who prepare a delicious breakfast every morning for the sweet and savory at heart. The rooms evoke the tasteful charm of the late 19th century, with a contemporary approach to simplicity.

Union Street Guest House

345-349 Union Street
Hudson, New York 12534

info@unionstreetguesthouse.com

The Union Street Guest House is located just one block over from Warren Street, Hudson's main thoroughfare, known for its creative boutiques, exciting cuisine, and tastefully curated antique shops. The guest house is comprised of a collection of spacious suites connected through a private courtyard. Each is appointed with an eye for design – incorporating a collection of vintage items like industrial sinks and mid-century artwork with modern, minimalist elements. *Photo courtesy of Union Street Guest House.*

[The 1850 House Inn & Tavern](#)

435 Main Street
Rosendale, NY, 12472
845-658-7800
1850house@gmail.com

Our Technology Advisor, Lee Mars, and Content Strategist, Eban Howell, have both reported back from separate stays at the 1850 House and have only good things to say. Immaculate rooms, a well-stocked bar, and an incredible breakfast. I've taken a tour of the building and I was impressed with the simple aesthetic, the beautiful views of Roundout Creek, and the helpful staff.

[The Roundhouse at Beacon Falls](#)

2 East Main Street
Beacon, NY 12508
845-765-8369
info@roundhousebeacon.com

The Roundhouse at Beacon Falls is a hotel, restaurant and bar located on a campus of reclaimed factory buildings in the center of the town's shopping district. The bold brick boxes are perched above a series of waterfalls that once provided hydroelectric power to the factories. The guest rooms – along with the grand dining room and bar – tell a visual story of rustic details and clean modern lines. The Roundhouse also features an immense event space with glass walls overlooking the falls.

[Mountain Horse Farm](#)

7520 West Hollow Rd (County Rd 33)
Naples, NY 14512
585-374-5056
info@mountainhorsefarm.com

Mountain Horse Farm is located in the southern foothills of the Finger Lakes wine region. European-run, this tasteful two-story ranch is set within a peaceful natural landscape at the end of a private road. Wake up in the morning to an exquisite breakfast served in the spacious dining room, then head down to the stables for some bonding time with their beautiful horses.

A Letter from the Editor

"Upstates" are everywhere. All over the country, all over the world. If there's an Upstate near you, you'll know it, because you'll be drawn there. You'll pack some clothes, a book, a journal, a camera – and you'll get in your car, on your bike, on a train, and venture off into the outskirts. For no reason at all. Simply because what's out there is inside you. It is the north to which your compass points.
