

Selected Bibliography of Completed Theses and Dissertations Related to North Carolina Subjects

COMPILED BY WALTER T. EVANS

This compilation continues the "Selected Bibliography of Completed Theses and Dissertations Related to North Carolina Subjects, 1974-1978" published in the January 1979 issue of the *North Carolina Historical Review* and the supplements published annually in January since 1979. Titles included in this bibliography were derived from *Dissertation Abstracts International: The Humanities and Social Sciences* and *Masters Abstracts: The Humanities and Social Sciences*,¹ as well as from graduate offices, history departments, and libraries at North Carolina's universities.

Entries are listed alphabetically by author under the field in which the degree was awarded or in a closely allied field, followed by the title of the thesis or dissertation, the type of degree, the name of the university granting the degree, and the year in which the degree was awarded. Total pages (i.e., leaves) have been included when available.

In order to conserve space, the full titles of some universities have been shortened and the names of North Carolina universities have been abbreviated:

ASU	Appalachian State University, Boone
Duke	Duke University, Durham
ECU	East Carolina University, Greenville
NCSU	North Carolina State University, Raleigh
UNC-C	University of North Carolina at Charlotte
UNC-CH	University of North Carolina at Chapel Hill
UNC-G	University of North Carolina at Greensboro
UNC-W	University of North Carolina at Wilmington
WCU	Western Carolina University, Cullowhee

1. *Dissertation Abstracts International* and *Masters Abstracts* are published monthly and quarterly respectively by Bell and Howell Information and Learning, 300 North Zeeb Road, Ann Arbor, MI 48106-1346. In addition, this data is available online at www.lib.umi.com/dissertations and on CD-ROM. Microfilm or xerographic copies of many of the dissertations and a few of the master's theses included in this bibliography can be purchased from Bell and Howell. Manuscript or microfilm copies of theses and dissertations usually may be read in the libraries of universities granting the degrees, and copies of some of the titles may be available through interlibrary loan.
