## ABOUT PLAYA VIVA

Playa Viva is “Where Your Vacation Meets Your Values.” We are an eco-luxury sustainable boutique hotel with a focus on positive social and environmental Impact for our local ecosystem. At Playa Viva you are immersed in the luxury of the natural Landscape on 200 acres with almost a mile of pristine beachfront set at the base of the Sierra Madre Mountains rising in the distance.

## WHAT MAKES IT SO SPECIAL FOR YOU...

Our organic farm, garden and orchard serving our farm-to-table kitchen. The Turtle Sanctuary on site releasing marine turtles almost daily. Miles of trails taking you through the restoration of a coastal forest, mangrove and archaeological site.

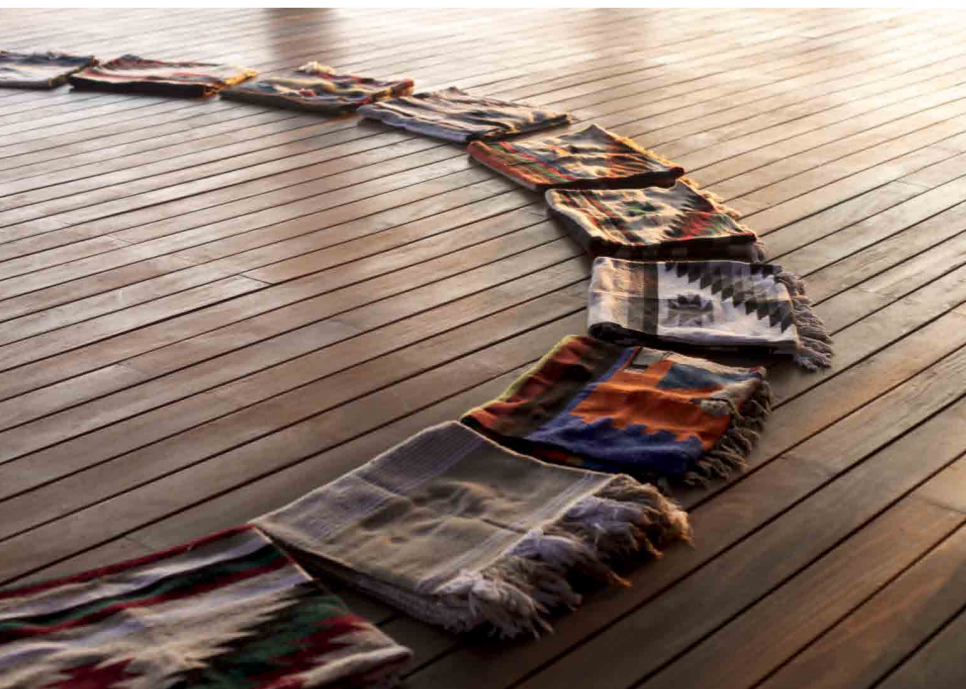

## FACILITIES

Playa Viva offers several locations for yoga including: Yoga Platform, Tower Observatory, Poolside and Beachfront. The flexible yet extensive yoga platform can host groups both small and large (up to 50 mats with plenty of space). Yoga props are all Manduka, top quality and in great shape including lifetime mats, blocks, straps and Mexican yoga blankets. Additional equipment includes “back jacks” (portable backrests), wireless headsets and speakers.

At the center of Playa Viva is the creation of “meaningful” community, which happens the Common Area, host to the Communal Dining Room, Saline Pool, Lounge Areas, Boutique and Beach Palapas.

## MEALS AT PLAYA VIVA...

Can best be described as “healthy Mexican with an international flair.” We are constantly striving to increase the amount of food that we can call “Farm to Table” either from our local garden or from farmers, ranchers and fisherman in the local community. Special orders don’t upset us and we pride ourselves in catering to a variety of dietary requests including vegetarian, vegan, sugar free, gluten free, kosher, etc. We invite you into the kitchen to make food preparation part of your retreat.

## ROOMS

While located on 200 acres, Playa Viva provides plenty of privacy with 12 rooms each spaced out to provide a beachfront view. Three of the rooms can work perfectly as Quads (3 x 4 people = 12), three as Triples (3 x 3 people = 9) or Quads and six of the rooms serve well as either singles or doubles (6 x 2 people = 12) for a total of 33 people including the retreat leader. Some of the rooms can be outfitted with extra single beds so we can top out at 39 guests if necessary, but this would be tight.

The 12 rooms are allocated across 5 room types:

3 King EcoCasitas (can accommodate a Quad, all in single beds)

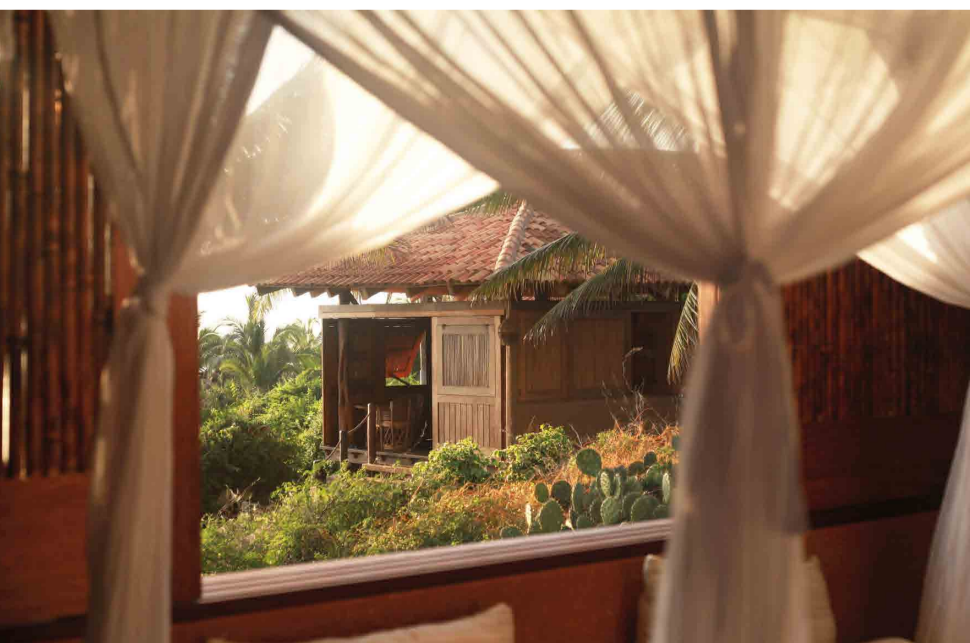

3 Queen EcoCasitas (Double, in Queen Bed, with option to add a single bed)

3 Deluxe Suite and Private Casita (Triple or Quad, single beds - 1 of those single beds is a trundle bed)

2 Studios (Doubles) in single beds

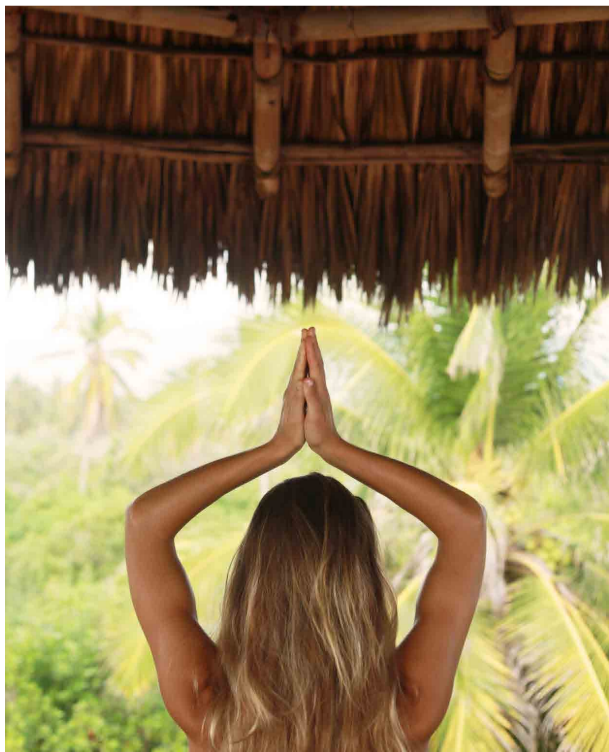

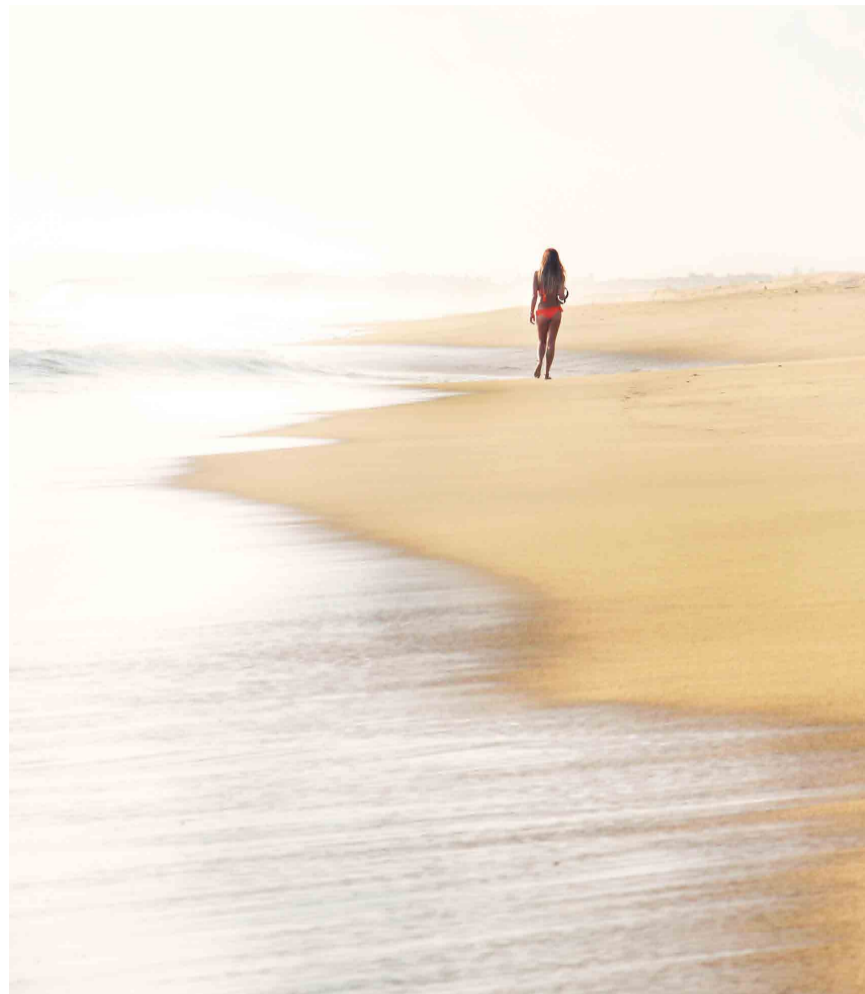

1 Treehouse (Double or Triple, in 1 King or 2 singles, plus one additional single bed in bath house area)

\*\*Any room can serve as a Single or Double. Every room except the Queen EcoCasitas can be set up with a King size bed rather than single beds if preferred.
