Have you heard about our new IHG® Business Rewards Booker Bonus promotion?

Here's how it works.

As an IHG® Business Rewards member, you're always rewarded.

Now, for every qualified meeting, event, wedding or stay that you book from **now until February 1, 2020**, we'll give you **TRIPLE** IHG® Rewards Club Points.

It's our richest offer ever!

Just make sure you hold your event, meeting or stay **by December 31, 2020**.

We normally reward you with 3 IHG® Rewards Club points per \$1 USD – and we're one of the only hotel groups that give you that much. Now, with our richest ever Booker Bonus offer, you'll earn even more – **9 IHG® Rewards Club Points per \$1 USD**.

Spend \$500 USD on bookings with us and you'll have more than enough points to redeem for the latest music or your favorite magazine downloads. Or, if you like the sound of staying with us yourself, spend \$5,000 USD and you could enjoy a Reward Night.

Ready to be rewarded? Just go to ihg.com/bookerbonus to register today.
