# The Legacy

The Belfry has become synonymous with golf and is a Mecca for both professional and amateur players. Host to more Ryder Cup matches than any other venue in the world, and steeped in tournament history, our two stunning championship courses, sculpted from acres of lush North Warwickshire countryside, have provoked some of the most dramatic moments in the history of the sport.

Play The Brabazon, our world recognised and revered championship course, the PGA National, England's only PGA branded course or The Derby - a shorter, more relaxed course for players of all levels.

A golfer is seen on a green in the distance, silhouetted against the bright sunset. The sky is filled with golden light and clouds. A line of trees stands in the middle ground, and a body of water reflects the sunset on the right side of the frame. The overall scene is peaceful and scenic.

# THE BRABAZON

PAR - 72 | YARDAGE - 7225

The majestic fairways and carpet-smooth greens of The Brabazon form a world-famous stage on which some of golf's most exhilarating dramas have played out.

Its meticulous design involves tight fairways, perilous bunkers, lakes and fast undulating greens, creating iconic holes that have challenged some of the games greatest.

Walk in the footsteps of legends... Seve's historic drive onto the 10th green, Sam Torrance's famous putt that won the 1985 Ryder Cup match for the European Team or Christie O'Connor Jr's belligerent 2 iron across the lake at the 18th. More recent changes have seen the 6th hole become one of the most demanding, rated highly by modern-day great Lee Westwood.

# PGA NATIONAL

PAR - 72 | YARDAGE - 7053

With its inland links appearance, this championship golf course presents a unique challenge thanks to hard and fast running fairways, undulating greens, severe run-offs and its 70 strategically placed cavernous bunkers.

The PGA National, having hosted two European Tour events, is fast becoming one of the top courses in the country.

Recognised by the PGA as a world-class tournament course and the only PGA branded course in England, the PGA National is a must for golfers who enjoy the creativity and shot-making required for links golf.

# THE DERBY

The **DERBY**

PAR – 70 | YARDAGE – 6099

The Derby is a parkland course with far-reaching views across the countryside, strategically placed bunkers, water hazards and well designed risk and reward holes.

The Derby offers a gentle challenge and is perfect for players of all levels. Also designed by Peter Alliss and Dave Thomas the course demands accuracy right from the 1st tee, not to mention good club selection and intelligent course management.
