your Island Beach Wedding

where two hearts beat as one

OUR BEAUTIFUL WEDDING AT THE RAROTONGAN

Our wedding at The Rarotongan went splendidly, the service around the bar and restaurant was very good. With a coral reef that encircles the Island, this is a very special place. Turquoise clear water, filled with life. The coral reef, with its natural underwater environment was incredible, where your heart raced with every exploration into another part of the Aroa bay area in front of The Rarotongan. Here you're away from the world, truly where you are with nature!

Lagoon of Love Weddings

Imagine standing together on the white sand beach beside the luminous lagoon, bathed in the golden glow of the setting tropical sun, surrounded by the soft popping of champagne bubbles, the sweet aroma of frangipani and the warm well-wishes of those you love.

Your dream **LAGOON OF LOVE WEDDING** awaits you at the Cook Islands' signature resorts – 4 star iconic family-friendly resort, **The Rarotongan Beach Resort & Spa**, adjacent 4.5 star adults-only boutique sister resort, **Sanctuary Rarotonga-on the beach**, and 5 star adults-only private island resort **Aitutaki Lagoon Resort & Spa** – the ONLY resort set directly on the champagne shores of the World's Most Beautiful Lagoon, and the ONLY resort in the Cook Islands to offer Overwater Bungalows.

Everything is taken care of for you – the best white sandy beach locations in the Cook Islands, sizzling sunsets (essential for those uber-romantic wedding photos!), the best blue lagoon locations, wide range of venues, menus and tailored wedding ceremony options. The Rarotongan even offers the LATITUDE 21-30 private nightclub which means you can celebrate late into the night (no worries about a noise curfew) after saying 'I do' on Rarotonga's best beach, Aroa Beach, with the sun setting directly across Aroa Lagoon, the Lagoon of Love.
