77 Albert Street Cobourg

The Historic Cobourg Jail is part of the heritage of this unique building, an attraction in its own right. Visitors from around the world come to stay in the most luxurious jail in Canada. We have retained the original character of the building as much as possible.

Many rooms reflect the uses the building has been put to over the years. Some of the themed rooms include; the Wardens Keep, the Priviledged Prisoner, Devils Island and the Trustee's room.

The Cobourg Jail complex contains an Authentic Jail Museum and more ... explore the courtyards that once housed prisoners of long ago. For more information visit [TheKingGeorgelnn.com](http://TheKingGeorgelnn.com) or follow us on facebook and social media.
