It's Never Too Early to Plan Your Next Nantucket Vacation!

Greetings!

Nantucket – the far-away island!

That's right, far-away. Far-away from the hustle and bustle of everyday life ... the noise, the traffic, school and the office! No wonder so many people escape to this little sandbar every year. For a few days or even a week, just to relax and enjoy. And after our well deserved winter respite, those of us lucky enough to call this wonderful place home are just as eager to welcome you back!

Your clean comfortable room is waiting, the courtyards are green, the pool is wet, Mom's Breakfast is hot and ready and most importantly – those friendly and smiling faces are along with everything else that goes into keeping the Nantucket Inn, an island favorite.

Throughout this newsletter, you'll find information about almost everything you need to know to plan your next Nantucket vacation. And if you need more information, we're just a click away at www.nantucketinn.net.

And once you have made your vacation plans, we encourage you to book direct with the Nantucket Inn. You will always get the best rate and biggest selection of room types and rates at www.nantucketinn.net or 800 321-8484. Other booking sites can't make that claim. We look forward to your arrival!

Sincerely,

Scott Thomas
General Manager

Off the coast of Massachusetts lies the special island of Nantucket, where history lives and traditions are maintained. Nantucket is a unique and beautiful island, with miles of sandy beaches, deeply wooded moors, colorful cranberry bogs, and an entire ocean beckoning from all sides.

It's also a quaint island, where worn cobblestone streets, lined with the historic residences of whaling captains, lead to one of New England's most picturesque harbors.

And on this special island is an equally special place.
The Nantucket Inn.

MOM'S BREAKFAST

AT THE NANTUCKET INN

Your Mom called — she wants to know if you're eating breakfast?

*Mom was right.
Breakfast is the most important meal of the day.
So start it with us...*

BREAKFAST BUFFET EVERY MORNING 7:30AM TO 10:30AM

Dear Mom,

We hear there are no chain restaurants in Nantucket.

What will we do? —

Steve, Ed, Joe, Bob & Chad

Relax Five Guys!

Start your day with our bountiful Mom's breakfast — from fresh fruit and muffins to fluffy scrambled eggs and the cooked to order waffle station. Early riser's coffee is also available.

After breakfast you'll find Nantucket is home to some of the best food and dining establishments anywhere.

The Nantucket Inn is pleased to be partnered with some of the islands favorite restaurants including,

Queequegs — named for the Moby-Dick character and located in the heart of downtown at 6 Oak Street, an island style bistro featuring American fare with an emphasis on seafood.

Town — at 4 East Chestnut Street, adjacent to and sharing the outdoor patio and bar with Queequegs, and featuring a unique global mix of culinary tastes and styles including special sushi rolls.

Kitty Murtagh's — an authentic Irish pub conveniently located mid-island at 4 West Creek Road. Traditional Irish fare includes meat pies, fish and chips and Guinness on draft as well as select American favorites.

Afterwards, hop the shuttle back to the Inn & relax with a cocktail or challenge a friend to a game of billiards in our library lounge.

Love, Mom

P.S.— *There are no stop lights either!*

About Us...*

This was my 5th stay at this wonderful hotel. The staff are amazing. The rooms are large and very clean. The indoor and outdoor pool are great with a nice pool bar. The lobby bar is very cozy. Breakfast is bountiful and you can sit inside or out. Free shuttle to beach and town. And.... the price is right!

Our stay was fantastic. The entire staff was friendly and helpful. The whole hotel and our room was always clean and well-stocked. The indoor pool was wonderful especially considering we had some rainy days and two young children.

Aleghieri P., Verona, NJ

We enjoyed our stay very much. The staff was fantastic & so nice. The service was excellent & we appreciated the convenience of the shuttle. The delicious breakfast started our day out right! We were so glad we made the choice to stay at your lovely hotel.

Carol & Pat S., Tuscon, AZ

Great! I was reluctant to stay outside of town, but the shuttle made it so easy. Very nice and accommodating staff as well.

Lauren B., New York, NY

We had a great 2-day meeting for 50 people at the Nantucket Inn. Not only were we, the conference leaders, happy, but more importantly, our attendees were!

Margaret E., TripAdvisor member

My wife and I spent 4 days on the island, we stayed at the Inn mainly because of the pool and the price was very reasonable (on the island) I was very impressed, the shuttle service was great and I can't say enough about the staff. . . I would recommend the Inn as a nice alternative to the highly priced options in the town

Steve W., TripAdvisor member

Staff very attentive!!

Excellent breakfast and our room updated and very clean.

This will be our "go to" next time we visit!

William, A., Plymouth, MA

We are always happy to stay here!
The staff is on their toes and eager to please.
