Set on a coconut palm farm surrounded by virgin mangrove swamps and a mile-long pristine golden beach, Fazenda São Francisco combines modern architecture with rustic simplicity to create a retreat offering unparalleled serenity. Interiors are characterized by bright colors and bold patterns tranquilized by dark Brazilian woods and clean whites, fusing innovative design and a natural elegance in perfect harmony with the resort's unspoiled location. The spacious and sophisticated suites and bungalows, situated on the beach and shaded by palm fronds, afford guests ultimate privacy and stunning views, which can be enjoyed over a glass of wine or a gourmet meal served on large, private terraces. Those seeking adventure will appreciate the fantastic diving to be found on the farm's front doorstep.
