

Welcome to the restaurant of Lloyd Hotel & Cultural Embassy

From the first early-morning breakfast until the last nightcap, we enjoy catering to our guests.

All dishes are prepared in house. Our meat and fish ingredients are from sustainable sources and most of our vegetables are cultivated organically, as close to home as possible. We know our suppliers well and are proud to work with them.

Do you have any dietary or allergy requirements/wishes? Please let us know. We will gladly offer more details and advice about our ingredients, wines, coffee and cocktails, including our personal favourites.
