Enjoy the retro inspired style of our accommodations—from our guest rooms to our largest three bedroom town house. Our recent renovations blend the classic mid-century architecture of the Wildwoods with modern conveniences, like wireless internet service and a fitness center complete with steam room. At the center of the Shalimar is the spacious pool area, where you can enjoy sun-drenched southern exposure while the kids enjoy the diving board and slide. This relaxing, family friendly property is just steps from the beaches of Wildwood Crest, but still convenient to all of the fun of Wildwood's boardwalk.
