It sets the stage to create unforgettable moments in its sugary white beach and turquoise waters. Stay at the Holiday Inn Resort Aruba and confirm our theory that **Aruba is paradise.**

★ SWINGING TO THE GOLDEN YEARS

Can you believe that the Holiday Inn Resort Aruba has been serving its guests with love for almost **50 years?**

Yes, the Holiday Inn Resort Aruba opened as Holiday Inn of Aruba on October 22nd 1969. It opened with 200 rooms on the tower that we know today as the Ocean Tower. By the end of 1974 before Christmas an additional 200 rooms were opened in what we call the Palm tower. And finally in 1989 what we know as the Sea tower was opened with an additional 200 rooms.

2019 will be a very special year for the Holiday Inn Resort Aruba and we hope you can be here on this spectacular occasion to celebrate our milestone of being part of the Holiday Inn chain for 50 years.

TAKE ME TO the Carnival

At the Holiday Inn Resort Aruba we celebrate Aruba's oldest tradition every Saturday night at the Oceanside Terrace!

Enjoy an assorted buffet open from 6:00pm to 10:00pm and approximately 30 minutes of Aruba's colorful costumes, contagious music and electrifying vibes at our Carnival night.

History section: Did you know that Aruba's Carnival was born in 1954 as a series of small street festivals? After a few years the official Carnival's organizing body was formed and since then this event has become the biggest celebration on the island. Join us, once you've experienced Aruba's Carnival you'll understand why Aruba is the place to be.

THE WORLD "CONNECTED BY WATER"

Aruba's history is the collection of over 90 nationalities living happily together - in a melting pot of uniqueness and smiling faces that makes it "One Happy Island".

The Holiday Inn Resort Aruba celebrates this diverse collection of cultures by offering a menu with dining options from countries all around the globe. Should you be looking for a plate from North or South America, Asia, Europe or the Caribbean, the Sea Breeze Restaurant & Bar is the right place to visit for lunch and dinner. A few examples of their extensive multicultural options are the 'Corvina a la huancaína' a Peruvian dish, the 'Beef & Shrimp' a slow roasted Dutch steak, as well as their vegan Indonesian 'Gado Gado' salad. Whatever you decide to try, you will not regret this world-class experience and you'll be tempted to try a different dish every night!

INN PAPIAMENTO LESSONS

"Bon bini!" (*Bun be knee*) - Welcome!

"Mi ta contento!" (*Me tah con ten toh*) - I am happy!
