Dog Parks/Off Leash Areas

Dogs are allowed in most Victoria parks provided they are licensed and on a leash.

Dallas Road Beach

South end of Dallas Road Beach, Beacon Hill Park (nearest to Hotel Grand Pacific). Benches, tables, handicap, poop bags, trees, parking, phones, restrooms, trashcans. Comments: fabulous view looking out to the Pacific, dogs can be walked off-leash but must be under good voice control as there is no fence and a busy road nearby.

Willows Beach - Beach & Estevan

Tables, benches, parking, restrooms. Fabulous sandy beach to walk along, lots of dogs off leash, low cement wall provides some barrier to nearby road, but big dogs can jump the wall or find stairs. No dogs allowed on beach May - Oct.

Mystic Vale Park, Cedar Hill X Rd

A large, fenced, open field on university property. There is a picturesque old orchard in the center. It is a very popular off leash dog park. Trail leads down into Mystic Vale park creek. Parking available along Cedar Hill X Rd.
