

Disney Town house with MyOrlandoStay

Welcome

Now that your trip is almost here, you might have some new questions about the vacation home where you're staying. How do you get there from the airport, where should you eat, how do you turn on the surround sound?

Good news: information about your rental property is available online and accessible anytime. Whether you're on a smartphone, tablet, or computer, you can click below to see everything you need to know about CW7643- Disney Town house – your reservation, arrival information, check-in codes, directions, and more, as well as recommendations on which restaurants, activities, and events to check out during your stay.

Driving directions

- From the airport take Rd 528 West.
Merge onto I-4 WEST towards TAMPA/DisneyWorld.
- Take Exit 64 (sign says Disney Magic Kingdom) merge onto US-192 W / W IRLO BRONSON MEMORIAL HWY via EXIT 64 toward DISNEY WORLD Magic Kingdom. (it would be a right from I-4 West bound). Make sure you do not go into the Disney World Drive but continue on Rte 192 West (stay on the left most lane on 192).
- Take left on 2nd Traffic signal for Old lake Wilson Road. (Ramada inn is on your left and right). If you see Dunkin- Donuts on the left you have come too far.
- Continue on Old lake Wilson Road for about a quarter mile - Crestwynd Bay community is after the Westgate Community) on the right. Enter the gates of Crestwynd Bay and then LEFT to get to the unit (exact unit number in a separate email).

- **Please make sure you get into Crestwynd Bay through the Old Lake Wilson Road entrance and not the Livingston Entrance as that would confuse you with the above directions.**
