## Food for Thought

Planning your big day can be time consuming; that's why we have a range of packages to help you. If you'd like a more traditional wedding, with reception drinks, a three course wedding breakfast and wine with the meal, then we've got a great all inclusive package for you.

Alternatively, if you'd rather hire the room and pick each food course separately, then we'd be pleased to show you the wide range of delicious dishes available.

Of course, if you or your guests have any special dietary requirements, simply let us know, and our executive Chef will be pleased to present some alternatives to meet your needs.

If you're looking for those little extra touches, maybe canapés on arrival, a cheese platter to round off the meal, it's no problem, whatever you've got in mind, we can help assist you.
