

## 4 Beautiful Cottages - in a superb holiday location

In a sheltered farm setting, a mile or two from sea and surf, this quartet of immaculately restored outbuildings exudes lightness, brightness and comfort. Oak floors are heated, plasma screens abound, kitchens burst with utensils, beds are electrically primed to recline and the whole place oozes Cornish chic. Phillipe Starck bathrooms are resplendent with white fluffy towels, beds are topped with super-soft pillows. Throughout are intriguing pieces of wood furniture; one cottage has outdoor seats built from a far off goldmine's supporting timbers; the owners are committed to quality and have thought of everything a couple or extended party may need.
