

# THE SILVER PRIVATE SCREENING ROOM

Designed by master designer Christopher Hansen of Beverly Hills' Simply Home Entertainment, the luxurious private screening room is built to the most exacting Hollywood standards with mohair-lined walls and custom theatre seating for 25 guests. Unsurpassed technology and screening equipment featuring state-of-the-art 35mm projection, high definition DVD, and Dolby Digital surround sound.

For moguls or meetings, presentations or private screenings, this is the best place in the city to see films. Set the stage in the striking Hall of Mirrors Lounge with a reception catered by Mark McEwan's 'ONE'. Every September, Toronto -- and Yorkville in particular -- buzzes with one of the worlds biggest and most important film festivals, the Toronto International Film Festival. The master designer of screening rooms, Christopher Hansen of Beverly Hills' Simply Home Entertainment boasts that The Silver Screening Room is "state-of-the-art Hollywood."
