It's Never Too Early to Plan Your Next Nantucket Vacation!

Greetings from Nantucket!

Perhaps the most common question I am asked they find out that I live on Nantucket year 'round is "what do you do all winter?"

It's a legitimate question, although it all seems quite normal to us. For the most part, our daily life isn't that much different than yours. Maybe hit the gym in the morning, into the office, stop by the supermarket on the way home, make some dinner and catch some tube or a movie with friends before starting all over again. The island is quieter but islanders aren't so much. There's a lot socializing and there are plenty of volunteer opportunities for those that are so inclined.

And of course there is vacation! Nantucketers are a bit luckier than most in that we have a little more leeway to vacation further afar and perhaps a bit longer. (Let's just say some of us are practicing their French)

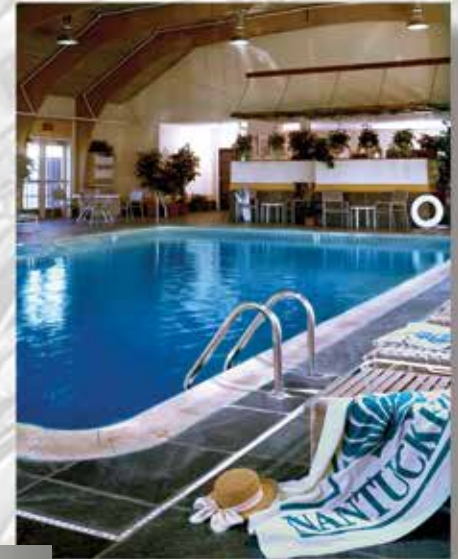

But for the skeleton crew here at the Nantucket Inn, there is real work to do too. Update the website, get this brochure written and printed. Order new carpeting and finally finish the guest bathroom renovations! Secure work visas and hire all of the seasonal staff. Answer the phones and process your reservations. Paint, polish, scrub and clean. Occasionally shovel snow. Try to keep the plants alive and the electric bill low. And generally take all those little bits of paper - that are thrown into a file all summer - and work to make the Nantucket Inn a bigger and better value for your dollar - every season.

There are many ways to book your Nantucket getaway. But remember that you will always find our best rates and packages and the largest selection of rooms at www.nantucketinn.net. Or 800 321-8484! And remember when you book direct (and save!) you will also work directly with us when you have a question or need assistance after the reservation is made.

We look forward to welcoming you to Nantucket!

Scott Thomas
General Manager

Off the coast of Massachusetts lies the special island of Nantucket, where history lives and traditions are maintained. Nantucket is a unique and beautiful island, with miles of sandy beaches, deeply wooded moors, colorful cranberry bogs, and an entire ocean beckoning from all sides.

It's also a quaint island, where worn cobblestone streets, lined with the historic residences of whaling captains, lead to one of New England's most picturesque harbors.

And on this special island is an equally special place.
The Nantucket Inn.

MOM'S BREAKFAST

AT THE NANTUCKET INN

Your Mom called — she wants to know if you're eating breakfast?

Mom was right. Breakfast is the most important meal of the day. So start it with us...

BREAKFAST BUFFET EVERY MORNING 7:30AM TO 10:30AM

Dear Mom,
We hear there are no chain restaurants in Nantucket. What will we do? — Sonni C.

Relax Sonni!

Start your day with our bountiful Mom's breakfast — from fresh fruit and muffins to fluffy scrambled eggs and the cooked to order waffle station. Early riser's coffee is also available.

After breakfast you'll find Nantucket is home to some of the best food and dining establishments anywhere.

Whatever your taste and no matter your budget, you'll find the spot that is perfect for you and that special someone, the family or even a group. And most are within walking distance of our convenient and complimentary shuttle service.

The Nantucket Inn is pleased to be partnered with some of the islands favorite restaurants including,

Queequegs — named for the Moby-Dick character and located in the heart of downtown at 6 Oak Street, an island style bistro featuring American fare with an emphasis on seafood.

Town — at 4 East Chestnut Street, adjacent to and sharing the outdoor patio and bar with Queequegs, and featuring a unique global mix of culinary tastes and styles including special sushi rolls.

Afterwards, hop the shuttle back to the Inn & relax with a cocktail or challenge a friend to a game of billiards in our library lounge.

Love, Mom

P.S.— *There are no stop lights either!*

Here's What Our Guests Are Saying About Us...

It felt like coming home! We once again had a wonderful time at the Nantucket Inn. Of all of the places we have stayed on the island over the years, the Inn has become our very favorite! From the minute we walk in the door, everyone we encounter is so warm and welcoming!

Kim & Dan F, Whitman, MA

We did a lot of research before going to Nantucket & found the "Nantucket Inn" the best value for our money. We just arrived home this evening "sadly having to leave" from 2 nights at the Nantucket Inn. We cannot wait to plan a return trip.

KarenP53, TripAdvisor member

Many years we were regular guests. Family issues delayed our return for 17 years. We were unsure what to expect; well we were not disappointed. Our entire experience is just what we remembered - professional and friendly staff, super clean facilities, beautiful property, and well maintained rooms. Our vacation experience was exceptional, just like we experienced many years ago. Hats off to the Nantucket Inn team for continuing to make a vacation experience one of the best.

Ronald & Judy F, Wakefield, MA

Wish I could have stayed longer.

The hotel offers clean rooms and complimentary breakfast. The shuttle schedule is light years ahead of the airlines when keeping on time performance.

We had a very pleasant experience. Staff were professional and friendly. Took care of all our needs. The shuttle van is excellent, with service to and from the ferry docks and to the center of town.

Jere H, Needham, MA

The Nantucket Inn is a very charming peaceful place to stay. The layout of the property certainly gives you the New England Cape Cod feel. The rooms are comfortable and the layout is nice. The shuttle service to and from town is an awesome perk!
